Chairman's Communique

Dear Members,

It is my great honour and privilege to pen this Communique as the 69th Chairman of Southern India Regional Council (SIRC). I feel it as a honour bestowed upon me by the members of the Regional Council to function as the Chairman of SIRC for the year 2020-21, which to me though challenging, but yet a great opportunity to serve the profession. On 20th of February, 2020 the new team took over. On the footsteps of my predecessor, following up with the initiatives taken by in the journey to serve the members and students, our team in SIRC has chalked out an impressive Action Plan for the year 2020-21 and confident of accomplishing it with the support of our members and students.

The financials of SIRC for the year ending 31st March 2020 have shown encouraging results as the revenue has grown appreciably. We, the new Regional Council for the term 2019-22, would continue to put in our best efforts and, as a team, strive together to achieve success and bring more glory and image building to our Southern Region by serving the members, students and other stakeholders in the best possible manner.

I thank all my Regional Council colleagues, for the success achieved so far in the year 2019-20 which is the outcome of involvement and effective contribution by all of them. I also thank the Central Council Members from Southern Region of ICAI for their guidance and valuable support throughout the year.

The officers and staff of SIRC and SRO, have relentlessly pursued the goals set. I, for one, believe that nothing much can be achieved without active participation and execution by the officers and staff of SIRC and SRO. I express my whole-hearted compliments and congratulations to each one of them.

The detailed annual report is presented by the Secretary, SIRC covering the period from 1st of April 2019 to 31st of March 2020. Few initiatives successfully implemented during the year 2019-20 are:

CA. DUNGAR CHAND U JAIN
Chairman, SIRC of ICAI

Secretary's Communique

Dear Members,

It is with immense pleasure the Southern India Regional Council presents before you its 69th Annual Report for the period 1st April 2019to 31st March 2020.The Annual Report contains the detailed report of activities undertakenby the Southern India Regional Council during the above mentioned period. It also contains the significant happenings during the said period.

This Annual Report can be broadly classified based on the information presented under the following heads:

1. *The Regional Council and its Committees*
2. *Awards from ICAI and Awards from SIRC*
3. *Members related programmes of SIRC*
4. *Students Related Programmes and SICASA*
5. *Role of ICAI/SIRC/Chartered Accountants in Social Development*

8. *New Initiatives and Professional Development.*

At this juncture SIRC places on record its sincere appreciation to the Office Bearers of SIRC for the period 2019-20, under the Chairmanship of CA. Jomon K. George who was instrumental in carrying out various activities during the major part of the year under Report.

At the 239th Meeting of SIRC held on 20th February 2020, the new team of office bearers assumed their respective offices. Action Plan for the year 2020-21 was also presented at the said meeting. We are hopeful that the Action Plan 2020-21, encompassing wide range of activities that SIRC is contemplating to achieve, would herald yet another new era in the services of members and students. It will be our endeavour to set

new benchmarks during the year 2020-21 and set forth a road map for the succeeding years. It is in this respect your guidance, support and involvement in all our endeavours would be of immense value and encouragement to SIRC.

*We are facing an unprecedented virulent attack of Corona virus which has been a game changer in more ways than we can imagine. With the lockdowns and new normal which involves social distancing, the effective implementation of digital and social media has come to the fore. Robert F. Kennedy had said and I quote "**Just because we cannot see clearly the end of the road, that is no reason for not setting out on the essential journey. On the contrary, great change dominates the world, and unless we move with change we will become its victims.**" We at SIRC are committed to providing to our members the wherewithal to face the challenges posed by the change with poise and confidence.*

Webinars have become the norm and sitting in one's office or home we have to use all the methods we can to bolster ourselves with relevant information, knowledge that will be of use to ourselves and our clientele.

*As the Secretary of SIRC, I would like to share the adage of John Wesley that our team firmly believes in **"Do all the good you can, By all the means you can, In all the ways you can, In all the places you can, At all the times you can, To all the people you can, As long as ever you can."***

With Warm Professional Regards

Forever, Yours in Service
