CA Chengal REDDY

SICASA CHAIRMAN

"The only way to do great work is to love what you do. If you haven't found it yet, keep looking. Don't settle. As with all matters of the heart, you'll know when you find it."

— Steve Jobs.

"In the New Year, never forget to thank your past years because they enabled you to reach today! Without the stairs of the past, you cannot arrive at the future!"

2024 has finally arrived and with it Resolutions, Hope and Enthusiasm; ICAI is celebrating the new year under the banner 75 years of ICAI as the resolution week from 1st to 5th of January 2024; By the time this newsletter reaches you, I am sure SICASA of ICAI would have put forth an interesting program for you in connection to Physical and Mental wellness.

Foundation exams will also have got over on 2nd Jan 24 and the Intermediate and Final results are expected in the second week of January 2024.

Before that enjoy the Youth festival –FIESTA put together with lots of enthusiasm by Team – SICASA for you all to meet, greet and make friends and expand your network. A student's life is different and this phase will go to never come back in the passage of time; I encourage all of you to enjoy it in good spirit and camaraderie.

December had the Branch level and Regional level finalists for the Dash Board and Sketching competition. The finals are going to be held on January 12, 2024. We wish the regional level finalists best of luck and wish they will bring back laurels to SIRC and SICASA of ICAI.

The online, submission and live events of the Youth festival re over and we hope all the participants and winners had a great learning experience.

The students also went for an Industrial trip to Saint Gobain. It was a vast facility and an interesting experience for the students.

As the countdown for the end of my term SICASA begins, I look forward to a new team to come forward to also come forward to take over the mantle of SICASA with fresh thoughts and ideas that can be implemented for the benefit of all students keeping the guidelines of activities as well as the rules and regulations of SICASA. You will find the details of the nominations in the newsletter as well as in the SIRC website.

Wishing you all a very Happy New Year 2024. God bless you all.

STUDENT'S CONTRIBUTION

It started then, when I was an article,
'Ka kar Rahi ho?', when they asked,
'CA', I replied with a smile,
'Which college?', they were curious!
'I go to the office', I sighed,
'Oh! Salaried!', they grinned,
I had no answer, I paused,
Controlled, but my eyes filled!

They got to know, my results were out,
By His grace, Inter! I cleared;
Unexpected papers, hardly reached to
aggregate,
'Why so low scores?' they intervened!

Articleship wrapped up, Grand Finale
unfinished,
No job hunt! On exams, I focussed;
'Six months for preparation?', their eyebrows
raised,
Art of Ignoring, I had already mastered!

They couldn't digest my being at home,
'How many years more?' a few questioned;
'Still not done?', others insulted,
'Why don't you complete it soon?', left
unanswered.

I could score, if exam questions were
answered,
But with their questions, I only felt
embarrassed!
Waiting a lil more, for their doubts to be
solved,
Because, patience is something, this course
has gifted!

INVITE FOR ARTICLES

There is something delicious about writing the first word of a story. Once started, you will never quit as you don't know where it will take you.

Students are invited to submit write ups for publication in the newsletter. These write-ups can be either technical or non-technical.

Join us and touch the hearts of many!

Students can submit their articles along with their name, registration number, and photograph to the below mentioned email ID.

sicasawritersclub@gmail.com
