**Chartered accountants are partners in Nation building**

**- Sir APJ Abdul Kalam**

**There are two things which are difficult in this world one is a CA  
and the next to fail in LLB - Arun Jaitley**

As I write this newsletter, the 75th Chartered Accountant's day has been celebrated with great spirit and positivity. SICASA of ICAI organised a motivational session by CA. Kasturi Rangan 'strategies for Success in the CA Course' and Walk(ed) the path' by CA. Petchi Kannan. This 75th year of Chartered accountants is celebrated at full swing by ICAI. On this occasion, I wish my incoming colleagues who have just cleared the examination and the future Chartered accountants a very happy Chartered Accountant's Day. ICAI shall have celebrations for 32 weeks across all Regional Councils and Branches with different programs that involve Members, Students, all the Stakeholders and Public. I encourage all the students of the Southern Region to be part of the celebration and participate in large numbers.

On this momentous occasion I am so glad to share that the National Conference for CA students '**AATRAL**' will be held on **2nd and 3rd September 23 at Chennai**. The SICASA team is going to make this event as a combination with amazing paper presentations, special sessions and cultural programs. I encourage all students to participate in the conference in large numbers and network with students across India and gain lots of insight.

The month of June began with celebration of World Environment Day with Tree plantations, Lecture on sustainable and healthy living, collection drives as well as Demo on Composting. Prizes were awarded to those who answered questions from the lecture. This was followed by a very successful One day Seminar on Introduction to Stock Markets by FIN B Team attended by more than 300 students. It was heartening to see the Brahmayya Hall full on a Sunday. This was complemented by SICASA Orators Forum going the extra mile by inviting Toast Masters to interact with the students to improve their oratorical skills. I encourage all the students to take advantage of this opportunity because knowledge and communication goes hand in hand with the success of a CA professional. Skill, Expertise, Network and Communication are the key ingredients to success in any endeavour.

The SICASA team had a hectic month because of the branch level Pitch deck and elocution competition and also hosted the Regional Level Competitions. It is exciting to know that the teams from Southern Region have won the National level Pitch Deck competition and secured second place in the Elocution competition. My heartiest congratulations to them.

As June 14th is World Blood Donors Day and the SICASA team organised a blood donation camp and many students (35+) came forward and donated blood. Apart from this Students from SICASA also supported SIRC of ICAI in the MSME conclave by participating in the cultural program and also volunteered for the event.

This gave them adequate opportunity to interact with entrepreneurs as well as banks and other financial institutions. The finance and Entrepreneurs forum organised the Yoga Day because health is the greatest wealth and went on to do a follow up session on the stock markets in the subsequent weekends. A Half Day Seminar was organised on Professional opportunities for CAs.

The results of the CA examinations have come and students from the southern region have topped the merit list in intermediate examinations. I am glad to share that Gokul Sai Sreekar attended the SIRC foundation classes in Virtual mode and cleared with flying colours and joined the CA Intermediate course in Hyderabad. My congratulations to Kalpesh Jain who has come Second in the CA Final examinations and Gokul Sai Sreekar for their overwhelming success. I wish all the other students who have cleared the examinations in flying colours. For those who have not cleared, I request all of you to put your heart and soul in the upcoming examinations which will

be the last and final attempt in the current syllabus. I encourage all the students to go through the presentation on the new scheme of education and training Undertaken by the BOS which is available on ICAI tube channel and YouTube.

The students committee of SIRC of ICAI is organising rapid Revision classes as well as 12 practice tests for each group under its aegis. As Chairman of the Students Committee, I can assure that the classes as well as the practice tests are of very high quality and curated based on BOS guidelines. I encourage all students to take this opportunity and register for the courses and add to your support system in clearing the exams. Wishing you all the best.

# Joint Secretary Message

---

I hope this message finds you well and filled with enthusiasm as you navigate your educational journey in this beautiful course of Chartered Accountancy. I wanted to take a moment to extend my warmest greetings and commend you all for your unwavering dedication towards learning and personal growth.

We marked halfway milestone of our managing committee's tenure by this June 2023.

**“One of the most memorable months in our tenure with 15 events in a month”.**

We achieved this success because of our well-organized screening (i.e. identifying the midst of the students) and also due to active participants of students post exams.

The very first we decided to conduct was **“Chartered Cricket League 2023”**. Just within few hours of announcement we got unreal response. With 16 teams, 192 players, 3 umpires, 5 volunteers and 4 organizers this event indeed was a massive success & CCL 2023 turned to be "The biggest cricket tournament" conducted in SICASA.

I would like to thank Aditya (*Treasurer, SICASA*), Venkateshwaran (*Sports Head, SICASA*) and CA Dinesh for their contributions in conducting CCL 2023.

This year SICASA had launched its own “Entrepreneurship & Investment Forum (FinB)” and we are blessed to have a magnificent team lead by Kavin (*President of FinB*). FinB marked a great start by conducting a fantastic seminar –“Personal finance and Wealth Management” in the month of March 2023 followed by **“The Basics of Stock Market”** seminar, conducted this month. Within the initial few hours of starting the registrations, we received 250 bookings. # Houseful #

The curiosity of the students regarding the stock market & wonderful insights by CA Koushik Mukhesh sir were the main reasons for this wonderful response. And I can now confidently claim that FinB will be back with many more of such valuable events.

---

On 23rd June 2023, we had organised an Industrial visit to one of the 5 railway coach manufacturing hubs in India. The students were taken to the manufacturing areas of the latest and modern railway coaches, where the entire process from the coach manufacturing till designing & testing were explained. We are thankful for the support from SIRC in organizing this visit.

Blood donation camp on 14th June 2023 was conducted by SICASA marking “Blood Donor Day” and followed by Yoga Day celebrations on 18th June 2023, marking the World Yoga day.

We extend our thanks to external organizations who helped us in conducting both the events.

This month, BOS announced two talent search competition for the students.

a) Elocution [and] b) Pitch Deck

After successful completion of branch level competition on the 10th of June 2023 for both of these competitions, Chennai was again blessed with an opportunity to host the regional level. The regional level competition, held on 18th June 2023 comprised winners from more than 25 branches. Chennai welcomed them all with showers of rains in the morning. Entire day passed in both of these competitions but what kept us energetic was the delicious south Indian meal for lunch. And towards the end of the event, the 6 judges in total helped us in selecting the best representor of SIRC for the “National Level”.

This year’s National Conference will be held on September 2nd and 3rd. This will surely be a mega event in our tenure. Accepting the challenge and expecting to receive a great support from the students community, I sign off for the month.

Ramacharana  
Joint Secretary, SICASA

*Ms. Sakshi's beautifully penned poem!*

**You are my first teacher,  
You are a legendary creature.  
You taught me to walk,  
And to boldly talk.**

**You were always there for me,  
I'll never make you feel guilty I  
guarantee.**

**You help me complete my dreams,  
If not you will try it by all means.  
You gave me the best gift by believing,  
I promise I'll give life it's meaning.**

**In achieving all the goals,  
There's a father who always controls.**

**It is for you my DAD,  
Who never make me sad.**

You are the one who never judge.**

I know you were married,  
I know you belong to someone else,  
I know you don't think of me  
much nowadays,  
Yet I still love you and the way you are !

We've grown in the same house  
Like Tom and Jerry...  
Fighting ,crawling ,playing  
And teasing each other  
My brain wants you dead !  
My heart wants you near !!  
Though our battle scar stayed  
I still care for you, like always...

**Gowtham**  
**SRO0554314**

We blew each other mistakes.  
We gossiped our acts.  
We fought for parents love and care.  
Yet we hugged each other in  
Our times of darkness.

I know you're a grown up adult,  
But I can't stop worrying about you.  
You are still my little sister  
Who hides all the darkness with  
A little smile on your face..  
I still love you more than I express !  
Because you're always my cute little sister !!
