

DVS Advisors LLP

DVS Advisors is a contemporary professional services firm with offices across 6 countries specialising in Tax, International Tax and Capital advisory services. We work on challenging cross border and domestic engagements for global clientele and financial institutions from across 40+ countries. We are a highly research oriented firm with an extremely dynamic and result oriented work culture. We are looking for ambitious articles with excellent aptitude to learning and great communication skills to join our boutique team.

Candidates who have qualified both the groups of IPCC should only apply. Selected candidates shall be trained extensively on our research platforms for 6-9 months before being formally inducted into client engagements. Deserving candidates would be trained at our foreign offices during the final year of articleship.

For more about us please look into our website www.dvsca.com. In case you feel you fit the criteria please write to us at hr@dvsca.com for a life changing decision.
