

## Qualified / Semi Qualified CA Vacancy @ Prakash Kochar & Co

Established in 1988, Prakash Kochar & Company is a Chartered Accountancy Firm with a team of over 100 talented professionals.

The vacancy is for the position of Project Lead in Management Consulting.

Nature of projects done in Management Consulting are:

- Process & internal controls consulting
- Supply chain efficiency
- ERP & process implementation
- Production improvement using TOC concepts
- Working capital optimization
- Cost optimization
- Startup business plan, feasibility & investor pitches
- Sales & profit improvement
- Business strategy
- Organization structuring
- Employee performance management systems, etc.

The candidate will lead client team(s) for the above types of projects. The role varies based on the nature of the project, but would broadly include:

- Lead teams of 2-8 members in performing the above projects for clients
- Provide practical solutions to business problems by identifying gaps and inefficiencies in current working
- Prepare for & lead reviews with client CEOs & other senior management
- Meet client employees in different departments & levels to enable effective implementation of suggested processes & solutions
- Stay abreast of industry trends, best practices, etc.
- Train in-house talent to acquire consulting skill-sets
