Dear Sir,

**Sub – Job Opportunity with a Funded Fintech Startup for**  
**Inter-Qualified Chartered Accountants**

Unmaze is a VC-funded startup in the fintech (Financial Technology) space. We are developing products and services to serve the Finance and Accounting functions of Startups and SMB's (Small & Medium Businesses) in India. We have several marquee clients across India, Singapore and the Middle east and are looking to expand our team.

Applications are invited from inter-qualified Chartered Accountants with minimum 3 years of audit experience. Remuneration would be on par with Industry levels depending on quality and experience of candidates and we offer excellent opportunities for growth within our firm.

The qualities that we are looking for are

- Strong Financial Accounting Fundamentals
- GST and Income Tax Knowledge
- Expert Proficiency in Excel
- Minimum 3 years Audit experience

Interested candidates may send in their CV to [muthu@un-maze.com](mailto:muthu@un-maze.com) with cc to [prema@un-maze.com](mailto:prema@un-maze.com)

Your's Faithfully,

Muthu Mohan
