

About Edelweiss Alternative Asset Advisors Limited

Edelweiss Alternative Asset Advisors Limited pioneered private debt in India with the launch of the USD 230 mn fund in 2010. With a track record of over a decade, it has built one of the largest Alternatives platforms in the country with an AuM of ~ INR 46,500 cr+. The Alternatives platform is focused on "Connecting Capital to Yield" by providing opportunities to global and domestic investors across private debt and real asset opportunities in India.

EAAA currently manages funds across Performing Credit (corporate and real estate), Special Situations and Infrastructure Yield Strategies.

We have been in the business for more than a decade now and have a strong 200+ member team. Our seasoned and dedicated investment teams manage/advise funds across four distinct businesses:

Performing Credit: Focuses on providing flexible capital to promoters and their companies for growth. Our unique structuring capabilities allow us to create collateralized structures with strong covenants to achieve capital protection.

Real Estate Credit: A leader in real estate credit with over a decade of experience, deep understanding of micro-markets, extensive developer relationships, strong covenants, and end to end asset management capabilities help us add value to our investments and fulfil India's growing housing demand.

Special Situations: We are a market leader in special situations investing in India. Our extensive capabilities and understanding help in resolving stressed businesses, unlocking value, and creating a positive economic impact.

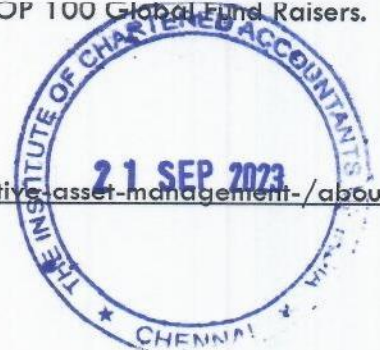

Infrastructure Yield: We acquire quality infrastructure assets in the core sectors of energy and transportation. Our focus is to enhance value through deep operational and technological expertise.

With over a decade of experience across Indian private debt and real assets, our strong on-ground presence enables us to source and structure unique deals. With robust asset management and operating capabilities, we actively monitor assets and proactively engage with our investee companies. We are among the only two Asian players featured in the PDI TOP 100 Global Fund Raisers.

Role requirements and JD

Detailed job description:

We are seeking dedicated and aspiring Chartered Accountant (CA) Industrial Trainees to join our team in Mumbai for 6 months period. As a CA Industrial Trainee, you will have the opportunity to gain hands-on experience and training in the field of Finance. This is excellent opportunity to work with experienced professionals, develop practical skills, and contribute to our financial success.

Key Responsibilities:

- Assist in responsibilities related to Investment, eg fund accounting, compliance or audit
- Participate in the preparation of financial reports, statements, and related documents
- Collaborate with cross-functional teams to support various projects
- Assist in data analysis and financial modelling as required

Qualifications:

- Pursuing or recently completed the CA course
- Strong analytical and problem-solving skills
- Basic understanding of accounting principles and financial concepts
- Excellent communication and interpersonal skills
- Eagerness to learn and adapt to new challenges
- Attention to details and a commitment to accuracy

What you will experience:

- Comprehensive trainings and mentorship by experienced CAs
- Exposure to diverse financial projects
- Hand-on experience in accounting, auditing and financial analysis
- A supportive and collaborative work environment

How to Apply:

Interested candidates are invited to submit their resumes along with a cover letter explaining their interest in this CA Industrial position. Please send your application to neha.thakker@edelweissalts.com
